

441—98.39(252D,252E) Provisions for medical support. An income withholding order or notice of income withholding may also include provisions for enforcement of medical support when medical support is included in the support order. The income withholding order or notice of income withholding may require implementation of dependent health care coverage pursuant to Iowa Code chapter 252E or the withholding of a dollar amount for medical support. Amounts withheld for medical support shall be determined in the same manner as amounts withheld for child support.
